What is a health certificate or CVI and why is it needed at the State 4-H Horse Show?

Horses used for exhibition must be examined by an accredited veterinarian no more than 30 days prior to the State 4-H Horse Show and receive a Certificate of Veterinary Inspection (CVI) stating the animal is free of signs of infectious or contagious diseases. CVIs are turned in at the State 4-H Horse Show Office and collected by the South Dakota Animal Industry Board. This biosecurity measure helps lower the risk of spreading disease between horses and ensures a safer environment for horses and exhibitors participating.

Will a veterinarian be at the State 4-H Horse Show?

In case of emergency, local veterinarian contact information will be made available to State 4-H Horse Show Exhibitors. A veterinarian is not guaranteed to be present during the entirety of the State 4-H Horse Show.

Does a horse have to be housed in a State 4-H Horse Stall while on the fairgrounds?

This year there will not be any stalling at either the rodeo grounds or the fair grounds. This is due to the change in location as well as to encourage social distancing and reduce the number of people in a confined area. The fairgrounds cannot accommodate us and still set up for the livestock show.

Can a companion horse, not used within the State 4-H Horse Show, enter the fairgrounds?

YES. The horse must be listed on the health certificate to enter the fairgrounds.

When and where can an exhibitor practice riding? Are there specific times to practice an event?

There will be a separate warm up arena that will be open during the duration of the show. There will be times when it is reserved exclusively for driving warm ups.

Can an exhibitor's horse trainer ride their horse at the State 4-H Horse Show?

NO. 4-H exhibitors are expected to care for, groom, and ride their horses while at the State 4-H Horse Show. Only the 4-H member, a member of the immediate family, fellow 4-H member, or 4-H Club leader may perform the fitting or ride a 4-H exhibitor's horse.

Is there an area to wash and groom horses at the State 4-H Horse Show?

There are hydrants available but no washing area at the rodeo grounds.

How does an exhibitor know when their class is in the ring?

Each exhibitor will receive an exhibitor packet when they check in at the State 4-H Office that contains the show schedule and class order. It is the responsibility of the horse show arena announcer to announce classes. Announcements are also made on the fairgrounds PA system. When time permits, announcers at their discretion may make announcements to update exhibitors in the class make-up and barn areas concerning the progress of the classes in the arena(s). Exhibitors and exhibitor's parents/guardian are responsible for keeping track of class orders and for being in line or in the makeup area when their run or class time arrives.

Where does an exhibitor line up with their horse to enter a class?

Each show arena has a make-up area outside the arena entry gate. Exhibitors need to report to this area when their class is called. For all "individual go" classes, there will be an "on-deck" cone prior to the entry gate of the arena. It is the responsibility of each exhibitor to be at the on-deck cone at the required time to be checked in prior to entering the ring. In all other classes, the gate will be closed when the last visible horse in make-up area for that class enters the ring. No additional entries will be accepted to that class.

What happens if an exhibitor's class is in the ring and the exhibitor or horse is showing in a different ring at the same time?

One to two rings will be used concurrently during the State 4-H Horse Show. Efforts have been made to eliminate or minimize class conflicts between the rings. In cases of conflicts, however, the show management will cooperate wherever possible to allow youths to participate in conflicting schedules if notified at the time the conflict occurs. Show management may authorize an exhibitor to move to the next class in the order-of-go. An exhibitor or parent/guardian should report to the arena announcing stand once class prior to the conflicting class or while the class is in progress to request the class.

change. No changes to order can be made once the class is complete. Please note: Entry fees will not be refunded to youths who miss a class due to scheduling conflicts. There are no class holds for tack changes.

What happens if an exhibitor misses their class?

Exhibitors who miss their class or run will forfeit their run in that class. An exhibitor may only participate in the next class order if the exhibitor or horse was physically showing in another arena and show management was notified prior to the end of the missed class.

Is an exhibitor allowed to talk to the State 4-H Horse Show Judge?

At no time should the exhibitor and/or parent/guardian confront the judge before or during the show. Exhibitors and/or parent/guardians may be allowed to contact the judge following the completion of the show at the discretion of show management. Reasons will be given in every event following the awards within an event. This will allow youth to understand the criteria the youth were judged on and allow the judge to explain his/her placing. Judge's decisions are final.

Where does an exhibitor go if they have any questions or concerns and who do they talk to?

Exhibitors should report to the State 4-H Horse Show Office. Show office management will direct the exhibitors question to the appropriate individual. The South Dakota 4-H Youth Development Program reserves to its Executive Committee from the South Dakota 4-H Horse Advisory Council the final and absolute right to interpret the South Dakota 4-H Horse Project Show Guide rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the Show, and the right to amend or add to these rules as its judgment may determine.

Do the Grand Champions receive a photograph after the event as part of their award?

No, the State 4-H Office contracts with a photographer to take pictures during the show. They will take a picture of the Top 5 in each event; this picture will be posted on extension.sdstate.edu and will be available for free download. No individual pictures are produced and sent to the exhibitor as part of their award.

When will State 4-H Horse Show patterns be available?

The patterns to be used at the State Horse Show will be published on extension.sdstate.edu by July 1st. Senior patterns will be made by the judge and posted at the show.
