Teams will be registered by your county's 4-H Youth Program Advisor. Please inform your County Office of your online registration to ensure you are included on a county team. All entry fees must be postmarked by Sept. 11, to the State 4-H Office. Individual payments are acceptable. Individuals not registered by Sept. 10, will not be allowed to compete. No team changes will be allowed after Sept. 16.

Each county may enter unlimited teams per age division. County teams consist of three and no more than four members. The three members with the highest total scores will make up the county total. The contestant with the lowest score is eligible for individual awards.

If a county does not have enough members to fill a team within an age division, those one or two individuals are still eligible to judge and compete for individual awards.

If a county does not have enough members to fill a team, a county may join with another county to make a joint-county team.

****SENIORS ONLY**** Any senior who has judged at the National 4-H Livestock Judging Contest, in Louisville, Kentucky is eligible to enter as an individual from his/her county and eligible to compete for future State 4-H individual awards. However, a youth that has competed at this event as a team are no longer eligible to be on a team. This does not apply to Denver or Kansas City past participants.

It is the responsibility of the SDSU Extension 4-H Youth Program Advisor or county coaches to verify team and individuals are accurate during contest registration.
