

Contributors

Jill Alms, Ag Research Manager/Specialist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Dwayne Beck, Manager/Research Agronomist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Dakota Lakes, S.D.

Ruth Beck, SDSU Extension Agronomy Field Specialist (retired), Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Pierre, S.D.

Duane Berglund, Professor Emeritus and Extension Agronomist for Row Crops and Specialty Crops (Retired), NDSU Extension, North Dakota State University, Fargo, N.D.

Nathan Braun, Ag Research Manager/Specialist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Jason Clark, SDSU Extension Soil Fertility Specialist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Nabin Dangal, Graduate Research Assistant, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Charlie Edinger, Sunflower producer from Southwest South Dakota

Christopher Graham, SDSU Extension Agronomist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Sturgis, S.D.

Renan Guidini, Graduate Research Assistant, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Bob Harveson, Extension Plant Pathologist, Panhandle Research and Extension Center, University of Nebraska, Scottsbluff, N.E.

Karl Hoppe, Extension Livestock Systems Specialist, NDSU Research Extension Center, Carrington, N.D.

Brent Ireland, Sunflower producer from Southwest South Dakota

Paul O. Johnson, SDSU Extension Weed Science Coordinator, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Hans Kandel, Extension Agronomist, NDSU Extension, North Dakota State University, Fargo, N.D.

Ruchika Kashyap, Graduate Research Assistant, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Peter Kovacs, Precision Ag. Cropping Systems, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Sandeep Kumar, Soil Biophysics and Management, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Samuel Markell, Extension Plant Pathologist, NDSU Extension, North Dakota State University, Fargo, N.D.

Febina Mathew, Field Crops Pathologist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Philip Rozeboom, SDSU Extension Integrated Pest Management (IPM) Coordinator, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Heidi Sieverding, Research Scientist II, Civil and Environmental Engineering, South Dakota School of Mines and Technology, Rapid City, S.D.

Adam Varenhorst, SDSU Extension Field Crop Entomologist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Dave Vos, Ag Research Manager/Specialist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Brookings, S.D.

Patrick Wagner, SDSU Extension Entomology Field Specialist, Department of Agronomy, Horticulture and Plant Science, South Dakota State University, Rapid City, S.D.
