2026 State 4-H Horse Show Exhibitor Information

Welcome to the 2026 South Dakota State 4-H Horse Show! We are excited to welcome all of you to Huron and wish each participant the very best of luck throughout the week.

Please review the following important reminders for this year's horse show:

Equitation Over Fences Practice:

Practice on Tuesday, July 14, will be held in the South Arena immediately following Senior Reining. Practice will be conducted in 15-minute time slots with no more than three exhibitors. While waiting for your turn, the North Arena will be open for riding after the conclusion of Junior Ranch Riding. Helmets and proper riding equipment are required.

Updates:

Will be posted on the SDSU 4-H Facebook page. Click on the 2026 State 4-H Horse Show event, then select the Discussion tab to view the latest announcements and updates throughout the show.

Safety Around the Grounds:

Safety is our top priority. Bareback riding, riding double, and riding without proper riding attire are not permitted. Youth exhibitors should be warming up and riding their own horses. Parents and trainers are asked to allow exhibitors to complete their own warm-up. When using the warm-up arenas, please follow proper arena etiquette. If the DEX doors are open, the arenas are available for open riding. 4-H Horse Show personnel may excuse an exhibitor from the ring for safety concerns due to rider and/or horse.

Backtags/Hats:

You can wear your back tag on your back or on both sides of your saddle pad. We must be able to see your back tag, so please make sure your hair is not covering your back tag. Hats are optional for speed events and driving classes. However, for all other classes, youth are required to wear either a cowboy hat or an approved riding helmet. Any participant who enters the arena without hat or helmet will be disqualified.

Class Conflicts:

We understand that class schedules may overlap. If you have a conflict, please let us know, and we will work with you to ensure you have the opportunity to compete in both classes. It is important that you check in with the gate attendant and be ready when your class is called. If you miss your turn for any reason other than competing in another class at the same time, you will forfeit your opportunity to compete in that class.

Washing Horses:

Horses must be washed only in the designated wash rack areas. Washing horses at the hydrants is not allowed. When you have finished using the wash rack, please clean up after yourself and your horse.

Cleaning Stalls:

Stalls must be cleaned prior to leaving. If your stalls are not cleaned, there will be a fee issued to your card that you purchased your stalls with. Shavings must be dumped in the designated dumping areas.

Awards & Ribbons:

Awards and ribbons may be picked up at the awards table. If you place in the Top 5, you will receive an orange award slip. Following the awards presentation, please proceed to the photo backdrop as soon as possible. Write your name on the orange slip and present it to the photographer when you arrive for your award photo.

Photographer:

A photographer will be taking photos of Western classes on Western Day and English classes on English Day. Each exhibitor may have one photo taken in each division by our professional photographer at the backdrop. If you would like family or additional photos, the backdrop will also be available for your use. At the conclusion of the show, the photographer will remain at the backdrop for 30 minutes to take final English photos. Please be respectful and do not take advantage of the photographer's time.

Trail Information:

If you are competing in another class during your trail class, please have someone check you in at the trail gate and notify the gate steward that you are in another class. We will do our best to stay on schedule; however, the times listed are approximate and may need to be adjusted as the show progresses.
